SANDIE HUNTER

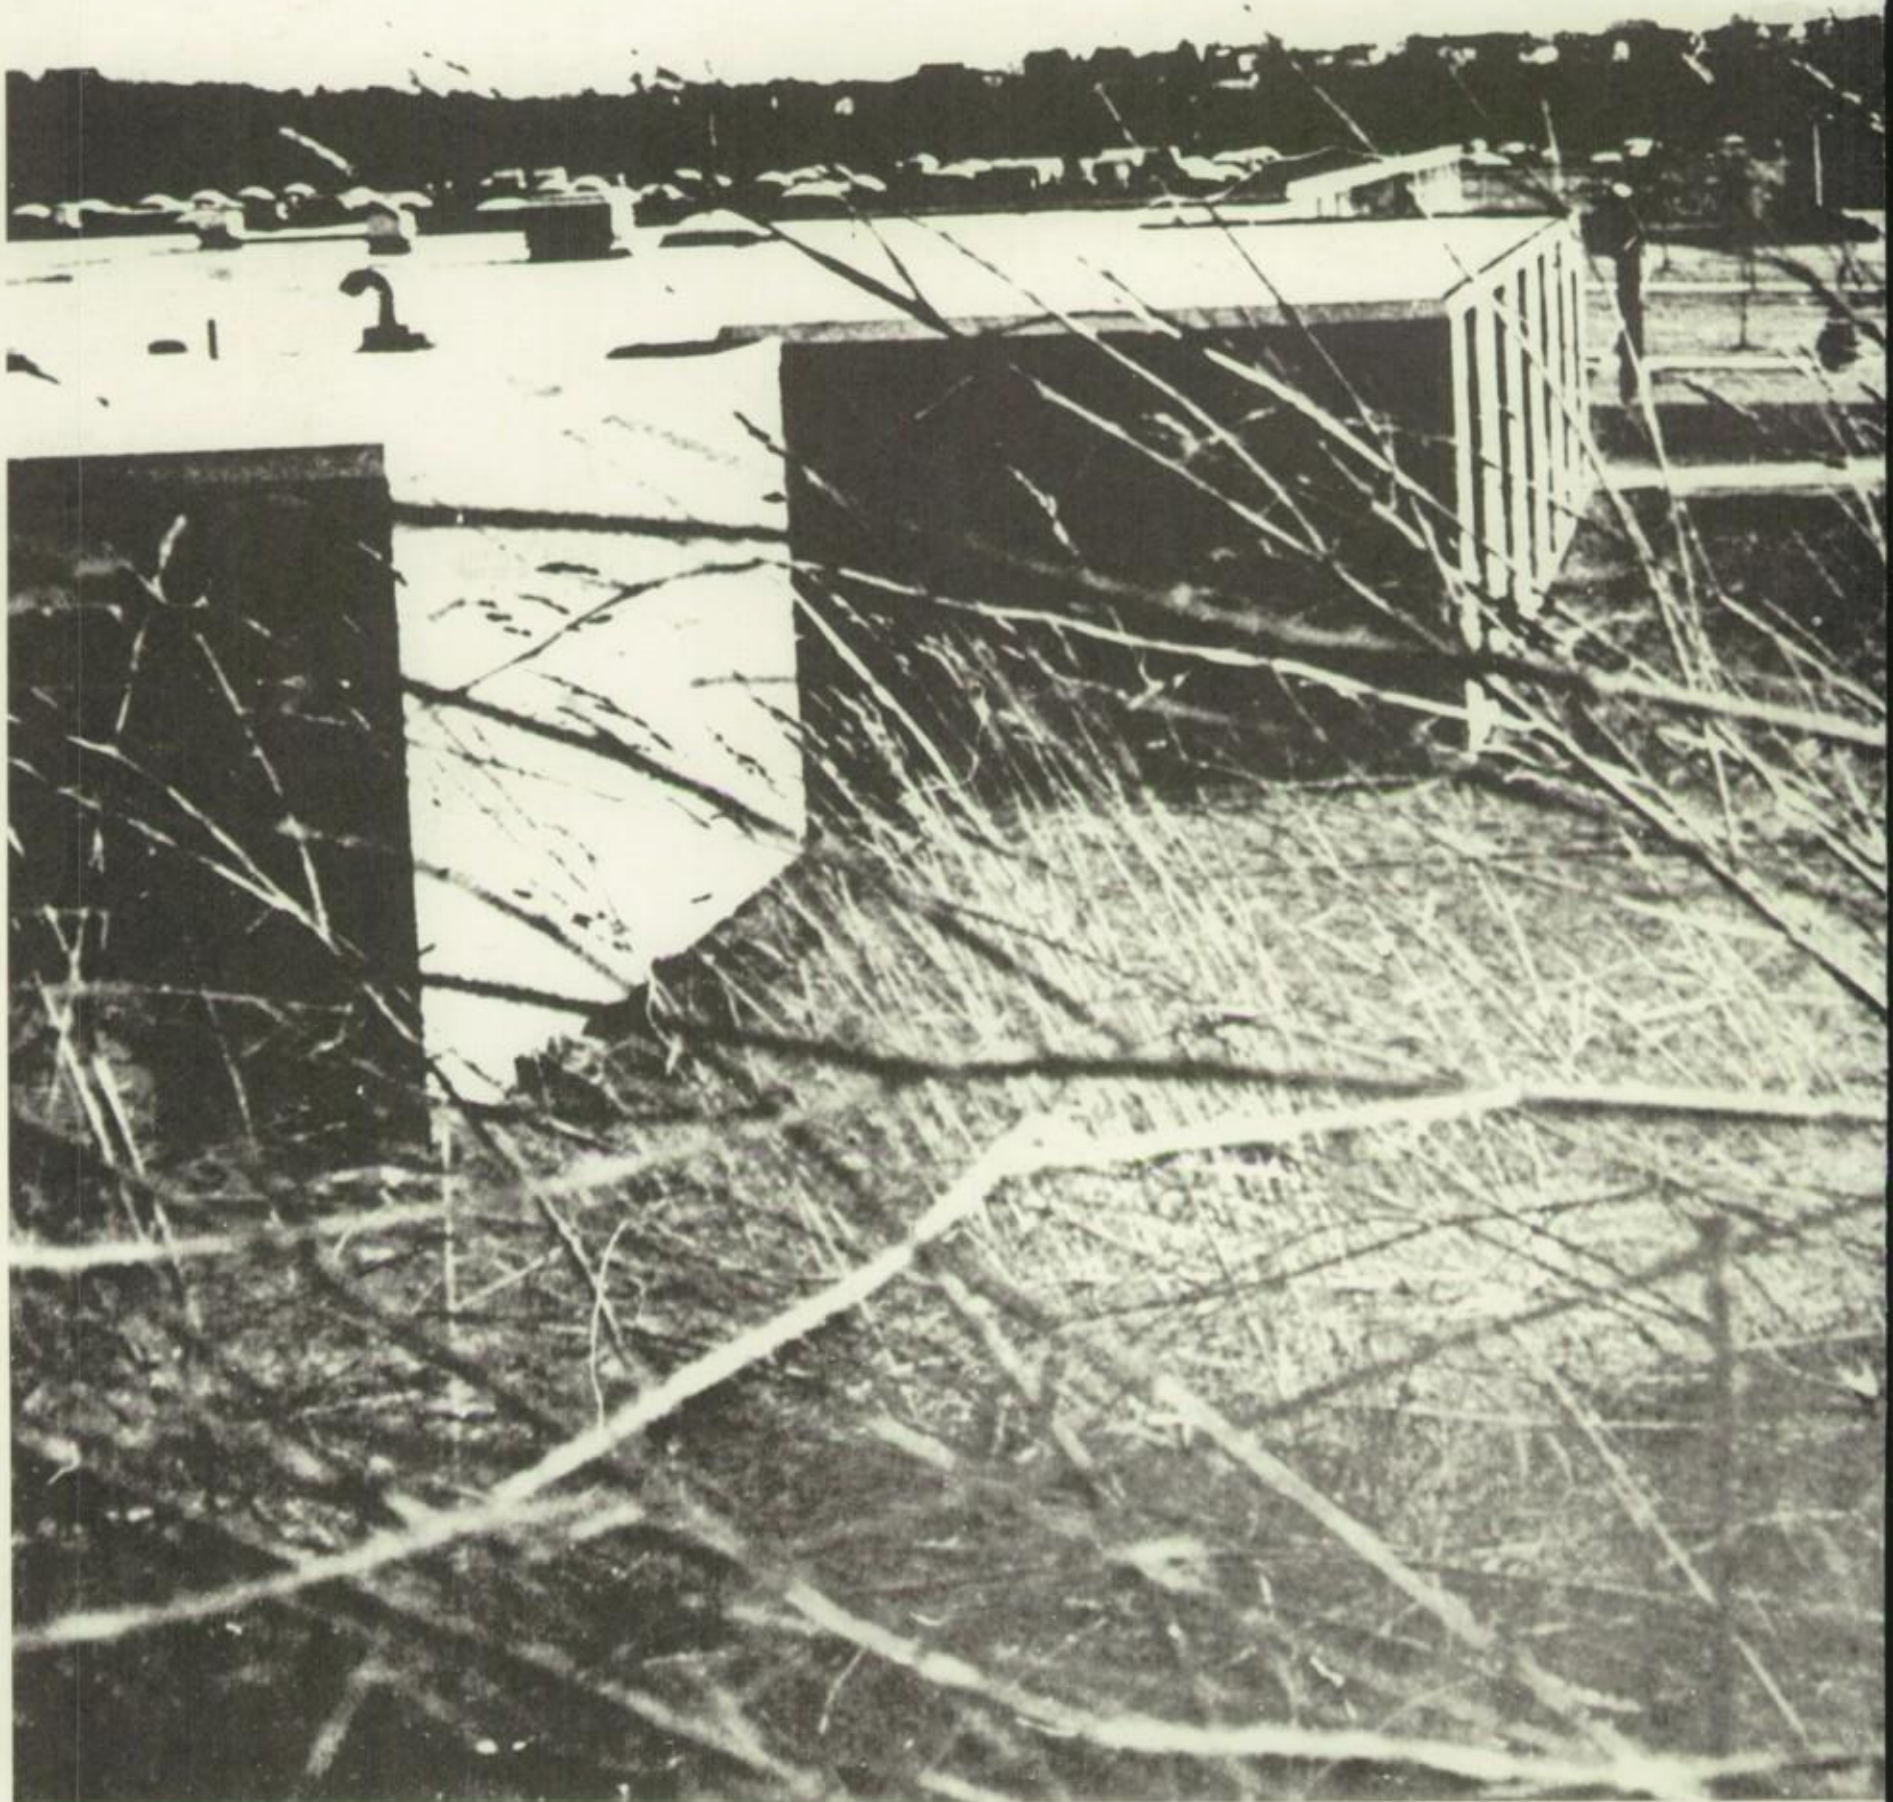

Hun, well hun I'm  
 really glad I got  
 to meet ya this year.  
 Too bad we both can't  
 be back here next year for  
 some more Bethel fun! Remember  
 all the fun times we had - especially  
 N.Y. I'll never forget that. Next time  
 I go there I'll be sure to take you with  
 me so I don't get lost on the subways! I'll  
 try not to be grossy cause you know that's nasty!!  
 Remember our shopping - riding around horseback riding  
 and of course your really alot of fun to goof around with so  
 groovy lunch. Your up to Cleveland with your Dad next year. I  
 hope you better come this summer with Cost!! That you're happy  
 wherever you end up staying next year. I could write alot more  
 but I don't really have time and I'm sure we both remember the fun we had  
 anyway. Be sure to write me. *Pinchy Pinchy* from me to you.  
 Love  
 Connie

## In the olden days

Wearing a ring on the forefinger signified  
a haughty spirit;  
On the middle finger, prudence and dignity;  
On the "ring" finger, love;  
On the little finger, a masterful spirit.  
Today, on any finger, your Balfour class  
ring symbolizes moments and memories  
shared with your classmates.  
Treasure them always.

*Songs*—We've Only Just Begun, A Little Help from My Friends.

Jan,

This is probably going to end up like a book because I have pretty much to say. I'm not going to go through everything we did this year because I'd never be able to write them all down. But I can't tell you how happy I am that you came to Bethel this year and I hope that you decide to come back next. I know that it would probably be hard for you to live with me but you know that you're always welcome and maybe talk to your mother about it. I'm really looking forward to this summer. I know we've been fighting alot lately but that's going to end soon because my arms can't take many more bites & punches!! I'm sorry about all the times I hurt you but you know that you deserved it! (Nah) I don't care what you say about our pools because if you go swimming in them just once you can teach me how to play tennis. OK Bussy. I might even decide to put my foot in the ocean! I know you've put up with alot from me (last Friday night) and I'm sorry for alot of them but I didn't really think that I was in the wrong then, but now I do & I didn't mean to do it. Good luck with Rick and start being nice to him or I'm going to punch you. I'm starting to feel sorry for him. We're all going to go to Chite Lake on Sunday. Please try to come back next year - Oh geez!!!

Barb
